Notes:

* The BSP adopted the compilation framework set forth in the sixth edition of the IMF's Balance of Payments and International Investment Position Manual (BPM6) effective 22 March 2013 with the release of the full-year 2012 and revised 2011 BOP statistics. On 21 March 2014, the BSP released the BPM6-based series. In BPM6, net FDI flows refer to nonresidents' equity capital (i.e., placements less withdrawals) + reinvestment of earnings + debt instruments, net (i.e.,net intercompany loans).

** Effective 17 July 2023, the BSP adopted the country list based on the ISO 3166 Country Codes and the country classification based on Continental Grouping (Asia, America, Oceania, Europe, and Africa). For comparability across periods, the data for 2020-2023 were revised to reflect the updated totals by continental group.

P Preliminary

. Rounds off to zero

[1] The United Kingdom (UK) left the European Union (EU) effective 1 January 2021. For comparability across periods, data prior to January 2021 were revised to reflect the UK's exit from the EU.

[2] Other countries not specified.

Details may not add up to total due to rounding.
