Terms and Conditions

The requested dial-up access to BSP is provided for the exclusive use of the *PhilPaSS*-PPS-FES Client System by users may be designated by the requesting financial institution. The request shall be accomplished by the institution's authorized user duly approved by the Head of the Institution.

The requesting Institution shall be responsible for any hardware upgrades required to support remote access. The BSP shall provide support for BSP dial-up services only.

BSP can revoke, block, or permanently disallow the use of this service without prior notice due to reasons that may compromise internal security.

I hereby agree to the above terms and conditions. I also agree to keep all information regarding remote access confidential. I will not disclose password information and/or copy the dial-up settings into other computers not identified for the intended purpose/use. Propagating BSP dial-up configuration is considered a security breach and is ground for the termination of the dial-up account.
