## **FOREWORD**

The 2010 Directory of Philippine Merchandise Exporters (the Directory) is a project of the International Operations Department of the Bangko Sentral ng Pilipinas (BSP) as part of BSP's continuing support to the export development program of the Philippine Government.

The Directory contains the names of 1,676 exporters in 2009, who negotiated/collected, through banks, payments on their shipments in the said year, based on reports submitted by banks to BSP. The Directory listing includes names of the exporters, their corresponding codes, addresses, telephone/facsimile numbers, e-mail, websites, export products and country destination of exports.

The Directory is designed to serve as a ready reference and easy guide to foreign buyers of Philippine products, local suppliers of exporters, foreign investors, government agencies, commercial banks and the general public.

### B. GUIDE TO CALLING LONG DISTANCE TO THE PHILIPPINES

#### a. Direct-Dialing

To place an international direct-dial call to the Philippines from the USA, follow the steps below:

1. Dial "00" - the International Access Code
2. Dial "63" - the Country Code
3. Dial the Area Code (See list of Area Codes of Towns/Cities in the Philippines).

For example, to make a call to 33 Point 3 Exports, Mandaue City, Cebu, Philippines, you would dial:

00	63	32	344-8831
International Access Code	Country Code Philippines	Area Code Mandaue City	Local Number 33 Point 3 Exports

#### b. Operator-Assisted

If your call requires special operator assistance (collect, station-to-station or person-to-person) dial "01" and follow steps 2 to 3 above under direct dial calling.

If your local telephone company does not provide international direct dial service in your area, you can ask the operator to place your call.
