<sup>P</sup> Preliminary

<sup>1</sup> Breakdown may not add up to totals due to rounding off.

<sup>2</sup> Total amount of remittances of overseas Filipinos (OFs) from countries not elsewhere classified.

NOTE: Data are not truly reflective of the actual source of remittance of OFs. The common practice of remittance centers in various cities abroad is to course remittances through correspondent banks mostly located in the U.S.

On the other hand, remittances coursed through money couriers cannot be disaggregated into their actual country source and are lodged under the country where the main offices are located, that is, Canada. Therefore, U.S. and Canada appear to be the main sources of OF remittances since banks attribute the origin of funds to the most immediate source.

Source: Data are based on reports of commercial banks, thrift banks, OBUs and FOREX Corporations submitted to the Bangko Sentral ng Pilipinas.
