The 2018 Directory of Philippine Merchandise Exporters (the Directory) is part of the Bangko Sentral ng Pilipinas' continuing support to the export development program of the Philippine Government.

The Directory contains the names of 2,250 exporters as of 2018, who negotiated/collected, through banks, payments of their shipments in the said year, based on reports submitted by banks to BSP. The listing includes names of exporters, their corresponding codes, addresses, telephone/facsimile numbers, e mail addresses, websites, export products and country destination of exports.

The Directory is designed to serve as a ready reference and easy guide to foreign buyers of Philippine products, local suppliers of exporters, foreign investors, government agencies, commercial banks and the general public.
