INTERNATIONAL
TRADE
ADMINISTRATION

**US International
Trade Administration**
*Investment Climate Statement
dated 24 January 2024*

“The business environment has been notably better in special economic zones, particularly those available for export businesses operated by the Philippine Economic Zone Authority (PEZA). **PEZA has received positive feedback for its regulatory transparency, no red-tape policy, and one-stop shop services for investors.**”

Bloomberg AiQ

*FDI Outlook: Challenges and
Opportunities in 2023
(October 2022 – October 2023)*

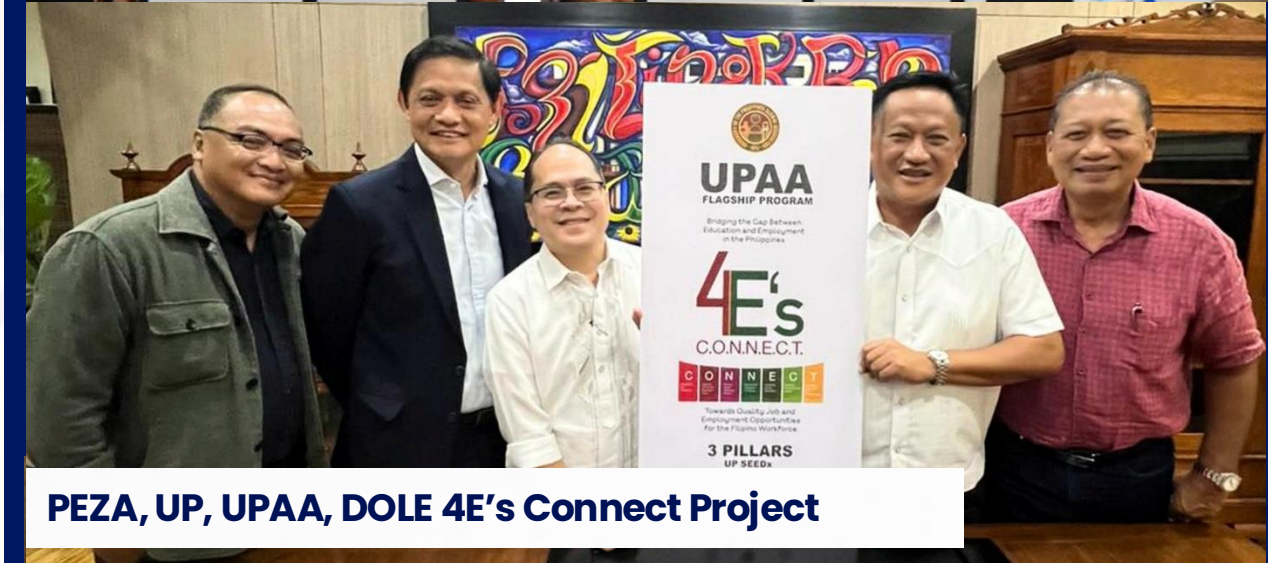

The Philippine Economic Zone Authority was the only agency mentioned as a unique factor for the Philippines in terms of FDI attraction based on the Brand Buzz study on live data across 150,000+ news sources around the world.

JOB CREATION & SKILLS DEVELOPMENT

- **Creation of Knowledge, Innovation, Science and Technology (KIST) Parks to improve workforce quality** leveraging the talent pool within the academe and the technology transfer of foreign SME's R&D component
- **Industry Excellence Center in Cavite Economic Zone made possible by collaboration of PEZA and DOST-MIRDC** under grant from Korean Government aims to train thousands of Filipino workers in CNC machining, precision tooling, mold design, and the production of various dies and molds
- **JICA-IHRD Project to enhance Industrial Competitive Enhancement through Industrial Human Resource Development and Supply & Value Chain Development**, focusing on the automotive and auto-parts industry including supporting industries as well as fusion areas of IT and electronics
- **PEZA-SEIPI partnership through USAID project** which aims to prepare the Filipino workforce for advanced manufacturing
- **PEZA collaboration with UP, UPAA and DOLE through its 4E's (Experiential Education towards Employment and Entrepreneurship Ecosystem) Connect project**, with aims to bridge the gap between education and employment in the country.
- **PEZA partnership with industry associations** towards creating a program that will link universities to PEZA-registered companies for internship program for immersion and increased viability for absorption / hiring immediately after graduation
