Panel Discussion 2: Building Better and Smarter for the Future

The establishment of sustainable, resilient, integrated, and modern infrastructure systems is crucial for driving economic transformation. With the Build Better More program, the Marcos, Jr. Administration aims to create a solid foundation for the future by implementing diversified and strategic infrastructure all throughout the country. In the medium term, the government will maintain infrastructure spending at 5 to 6 percent of GDP, encourage infrastructure investments, and explore viable funding methods to supplement public resources for financing crucial infrastructure initiatives to improve the lives of the Filipino people.

Panel Discussion 3: Reinvigorate. Accelerate. Transform.

The government will build on the game-changing reforms pursued in the past and complement these with policies to enable open and competitive markets. The Philippines is open for business as it seeks to be among the most dynamic economies in Asia and the world. The goal is to make it easier for companies to compete and innovate and assure investors of lower transaction costs and a healthy regulatory environment. Key strategies to transform the economy include revitalizing industry, reinvigorating services and agriculture, and promoting and improving lifelong learning and education which are imperative to increasing the capacities and income-earning ability of the Filipino workforce.

SPEAKERS AND PANELISTS

Panel 1: A Fast-Growing and Forward-Looking Economy

BENJAMIN E. DIOKNO, PhD

Department of Finance

Dr. Diokno is the current Secretary of Finance. Prior to his appointment, he served as Governor of the Bangko Sentral ng Pilipinas (BSP) from 2019 to 2022. Under his leadership, the Philippine central bank was among the first to respond to the COVID-19 pandemic and deploy decisive measures to cushion its adverse impact and pave the road to recovery.

Before taking charge of monetary affairs, he served as Budget Secretary under three presidents, where he pursued an expansionary fiscal policy to finance investments in human capital development and public infrastructure.

As Finance Secretary, Diokno seeks to rally the economic team to achieve three broad development goals by 2028: reduce the deficit-to-GDP ratio to pre-pandemic rates, bring down poverty incidence to single-digits, and achieve upper middle-income economy status by the end of the Marcos Jr. administration. Diokno seeks to go beyond headline economic expansion and achieve a brand of inclusive and sustainable growth with equity.

Diokno's policy expertise and research contribution extend to various areas of public economics, such as the structure and scope of government, tax policies and reforms, public expenditure management analysis, fiscal decentralization, national budget, and public debt, among other topics. He has vast experience in formulating and implementing public sector reforms, having also served as Budget Undersecretary from 1986 to 1991 and Budget Secretary from 1998 to 2001 and from 2016 to 2019.

He is Professor Emeritus of the University of the Philippines-Diliman. For over 40 years, he taught the following courses: Public Sector Economics, Microeconomics, Macroeconomics, Development Economics, and Special Topics (e.g., Public Enterprises Investment and Pricing Policies; Public Sector Reforms; Local Government Finance). He was also Chairman of the Board of Trustees of the *Pamantasan ng Lungsod ng Maynila* (City University of Manila).

He served as Fiscal Adviser to the Philippine Senate. He also served as Chairman and Chief Executive Officer (CEO) of the Philippine National Oil Company and Chairman of the Local Water Utilities Administration.

Some of his major policy reform contributions include: formulating the 1986 Tax Reform Program, which simplified the income tax system and introduced the value-added tax in the Philippines; helping design the 1991 Local Government Code of the Philippines; initiating a What-You-See-Is-What-You-Get policy to streamline the release of funds; and sponsoring the internationally lauded Government Procurement Reform Act to modernize, regulate, and standardize government procurement activities in the Philippines.

	<p>He served as an adviser and consultant to various multilateral agencies like the World Bank, Asian Development Bank, European Commission, and US Agency for International Development for work in the Philippines, China, and transitioning economies like Vietnam, Cambodia, and Mongolia.</p> <p>He has also participated in numerous international conferences hosted by the International Monetary Fund, Asian Development Bank, World Bank, Asia-Pacific Economic Cooperation, and United Nations, among other international organizations. He authored numerous publications and discussion papers regarding his research interests that have been published in academic journals and policy reports.</p> <p>He finished his Bachelor’s Degree in Public Administration (1968) and his Master’s Degree in Public Administration (1970) and Economics (1974) at the University of the Philippines-Diliman. He also holds an MA in Political Economy (1976) from the Johns Hopkins University in Baltimore, Maryland, USA and a PhD in Economics (1981) from the Maxwell School of Citizenship and Public Affairs, Syracuse University in Syracuse, New York, USA. In 2017, he received an honorary Doctor of Laws degree from the University of the Philippines—the highest academic rank and honor conferred by the university.</p>
	<p>ELI M. REMOLONA, JR., PhD Bangko Sentral ng Pilipinas</p> <p>Dr. Eli Remolona is the seventh Governor of the BSP and Chairman of the Monetary Board, having been appointed in July 2023.</p> <p>A career central banker, Governor Remolona has extensive policy and operational experience in monetary policy and international finance, having worked for 19 years at the Bank for International Settlements (BIS) from 1999 to 2018 where he spent the last ten years working with monetary authorities on financial stability and capital development issues as BIS Asia and the Pacific regional head. Prior to this, he worked for 14 years for the Federal Reserve Bank of New York from 1985 to 1999.</p> <p>From 2019 to 2022, Governor Remolona served as a professor of finance and Director of Central Banking at the Asia School of Business in Kuala Lumpur from 2019 to 2022. He also taught various courses on international finance, monetary theory and policy, and development finance at Williams College, Columbia University, New York University, and the University of the Philippines-School of Economics. Governor Remolona has published papers tackling different facets of the bond markets, sovereign risk, and financial market communication, among others, and edited for leading economic and financial journals.</p> <p>Before his appointment to the Monetary Board in 2022, Governor Remolona served as Independent Director of a universal bank and Chairman of its risk management committee.</p> <p>He earned his PhD in Economics with distinction from Stanford University and obtained his bachelor’s degree in Economics with honors from the Ateneo de Manila University.</p>

AMENAH F. PANGANDAMAN

Department of Budget and Management

Amenah F. Pangandaman is the incumbent Secretary of the Department of Budget and Management (DBM). She is the first Muslim Budget Secretary and the only female member of the Philippines' economic team.

She carries with her 20 years of government service, having worked in the legislative and executive branches, and the Central Bank. Thus, her unparalleled expertise in the areas of policy governance, economics, and public fiscal management.

She rose through the ranks from being a research assistant to becoming Chief of Staff to the late Senate President Edgardo J. Angara. Prior to her appointment as Secretary of the DBM, she served as DBM Undersecretary and Assistant Governor at the Bangko Sentral ng Pilipinas.

As the country's Budget Secretary, she is committed to supporting President Ferdinand R. Marcos Jr.'s administration towards a broad-based and inclusive economic recovery. She continuously champions financial inclusion and key budgetary reforms, such as Digitalization, Climate Change and Green Public Procurement, and Open Government Partnership to further promote fiscal transparency.

Secretary Pangandaman currently chairs the Development Budget Coordination Committee, which developed the Medium-Term Fiscal Framework and the country's 8-Point Socioeconomic Agenda. She also co-chairs the Intergovernmental Relations Body, strengthening relations for lasting peace and economic development in the Bangsamoro Autonomous Region of Muslim Mindanao.

Under her leadership, the national government has enacted the fastest national budget in recent history. She has been bestowed the Rising Tigers "Woman of Substance" award, the "Philippines' Women Leaders Award," and the "Tanglaw ng Bayan" award from the Polytechnic University of the Philippines. She dons the rank of Rear Admiral (two-star general) of the Philippine Coast Guard Auxiliary. Her weekly column, "Beyond Budget" keeps the public informed on the national budget and the country's economy.

SANNY BOY O. OROPELE, CESE

Department of Public Works and Highways Region VI

Engineer Sanny Boy Osorio Oropele, also known as SBO to many, was born in Isabela and raised in Escalante City, Negros Occidental. He has vast experience spanning forty-two (42) years, and his accomplishments and recognition accurately represent his qualifications and unrelenting commitment to his responsibilities across various DPWH Offices.

He embarked on his journey as Gen. Construction Foreman in 1984 and Civil Engineer II in 1988 in the Negros Occidental 1st District Engineering Office until he was promoted to the Engineer III position in 1992. He became a full-fledged Assistant District Engineer in 2001. His journey continued with his appointment as the OIC-District Engineer in 2003, wherein in the same year, he was awarded as the Outstanding Alumni of the University of Negros Occidental - Recoletos, Bacolod City, he was then promoted as District Engineer in 2006. He assumed the position of District Engineer for the Capiz 1st District Engineering Office in June 2012, he also served as the District Engineer for the Iloilo 2nd District Engineering Office for more than 5 years.

His remarkable journey continued as he assumed the position of Assistant Bureau Director of the Bureau of Maintenance on December 28, 2022. He subsequently became the OIC-Bureau Director of the Bureau of Quality and Safety on June 19, 2023. He has held the position of OIC-Regional Director of the DPWH Region VI on August 1, 2023.

RD Oropele's exemplary performance has earned him prestigious awards and recognition. Notably, he received the Award of Distinction in 2004 from the Philippine Infrastructure Journal and was acknowledged for his top-ranking absorptive capacity in August 2020. His leadership role was evident when DPWH Negros Occidental 1st was recognized as the Outstanding Agency in Region VI in 2005, as reported by the DBM.

RD SBO's commitment to excellence was evident as he received the Most Outstanding Assistant District Engineer award from the Leadership Organization of the Philippines in both 2000 and 2001. His dedication was further acknowledged when he was named the Most Outstanding Public Servant by The Manila Times Newscaster National Weekly Newspaper in January 2005. RD Oropele's exceptional achievements continued as he was recognized as the Outstanding District Engineer in multiple years, notably 2004, 2005, 2006, and 2008, in addition to being honored as the Top Performing Engineer in 2006.

Outside of his professional pursuits, RD SBO loves to play basketball on his spare time and an avid fan of the sport.

	<p>MARLO L. IRINGAN Department of the Interior and Local Government</p> <p>Marlo L. Iringan is a distinguished public servant who has made significant contributions to the Department of the Interior and Local Government (DILG) throughout his career. His journey began in 1989 when he joined the DILG as a Barangay Government Operations Officer (BGOO), demonstrating his commitment to serving his community and making a positive impact at the grassroots level. He is currently serving as the Undersecretary for Local Government of the Department since 2021.</p> <p>Despite starting at an entry-level position, Undersecretary Iringan's dedication, expertise, and strong work ethic propelled him through the ranks. With a background in civil engineering, he harnessed his design and systems thinking skills to assist local governments and contribute to the realization of the mandate of the Department.</p> <p>His exceptional abilities and potential were duly recognized, leading to a series of promotions and increased responsibilities within a relatively short span of time. He held various Director-level positions within the department, including LGOO VIII from 2010 to 2011, Director III from 2011 to 2015, and Director IV from 2015 to 2021. This rapid progression reflects both his exceptional capabilities and his unwavering commitment to delivering excellence in field operations and program implementation.</p> <p>Given his extensive experience in field operations and program management, Undersecretary Iringan plays a crucial role in shaping responsive policies and strategic direction as the Department continues to help develop our local communities. His journey exemplifies the transformative power of dedication, hard work, and a genuine desire to serve the public.</p>
